& University of St. Thomas School of Education**

Please join us to advance state policies — sharing plans, establishing a common base of knowledge, and building relationships — in support of early childhood, from prenatal care through age 3.

The next session in this quarterly series for advocates, policymakers, and community members will feature presentations on child-care financing and housing, as well as updates on several state government initiatives.

The meeting is free and open to the public. A live webcast will be available; instructions and a link will be sent to registrants.

**PLEASE REGISTER ONLINE AT :**
